Rozelle Stone and Cambria Host Downtown Event

WHO: [Rozelle Stone](#) & Cambria

WHEN: Thursday June 21st, 11 am - 1 pm private | 1 - 8 pm public

WHERE: 207 S. Main Street, Greenville

Cambria and Rozelle Stone invite you to witness the birth of five legendary new designs that combine epic beauty and fabled performance. Come meet the team responsible for beautiful stone projects in the Upstate, including the [Greenville](#)-Spartanburg International Airport, Michelin headquarters, Duke Energy, DP3 [Architects](#) and numerous Upstate residential projects.

[Cambria](#) and [Rozelle Stone](#) will host local architects and designers from 11 am - 1 pm. Thereafter it will be open to the public. Visitors are welcome to visit the tent on Main Street across from Greenville City Hall. Inside they will find large slabs of Cambria quartz available for both commercial and residential use.

Cambria quartz is responsibly obtained by conscientious partners. In addition, 100% of the water they use to polish surfaces is recycled, saving an estimated 1.6 billion gallons of water per year. Cambria is environmentally conscious in their manufacturing processes and has achieved the [GreenGuard Gold Certification](#).

About Cambria

Cambria is the first and only family-owned, American-made producer of quartz surfaces. Cambria's craftsmanship, superior product performance and unmatched beauty have made them the premier company in the quartz surface industry. As a stain resistant, nonporous stone surface, Cambria quartz is harder, more durable, and requires minimal maintenance. Their design palette features numerous innovative designs that are unrivaled in the quartz surface industry. Headquartered in Le Sueur, Minnesota, Cambria is sold through an exclusive network of premium, independent specialty retail and trade partners that can be identified at CambriaUSA.com.

About Rozelle Stone

For more than 25 years Rozelle Stone has provided the Upstate and surrounding areas with highly functional, beautiful surfaces made of granite, marble, and quartz. Rozelle Stone is a fully digital stone fabricator, and is the only fabricator in the Upstate accredited by the Natural Stone Institute. The NSI accreditation recognizes companies that meet the industry's highest standards for business activities, product knowledge, reliability, fabrication and installation. Notable clients of Rozelle Stone include Michelin, BMW, Greenville Health System, Hubbell Lighting, Milliken, as well as Greenville-Spartanburg International Airport and CU-ICAR. Rozelle Stone has also completed thousands of area residential projects.
